Product highlights

Vacuum power
No Mess. Powerful vacuum with hair deflector captures cut hair for no clean up.

Turbo power boost button
Turbo power switch boosts cutting and fan speed by 30% for significantly increased suction power.

Clear view hair chamber
Transparent hair chamber makes it easy to see when the trimmer needs to be emptied for optimal performance.

Steelwave self-sharpening blades
*Revolutionary Steelwave self-sharpening blades ensure a precise and even trim every time. *)Compared to the leading titanium trimmer.*

Flexing contour guide
Unique Accu Control system with flexing guide comb automatically follows exact countour our your face.

9 lockable length settings
Precision zoom lock feature allows you to choose the hair length you want for the most precise trim.
